

# California Oliver Cletrac Club

Chapter 2 of the Hart-Parr Oliver Collectors Association  
Branch 152 of the Early Day Gas Engine and Tractor Association

## Renewing Members Club Membership Application

Per club bylaws, all members of COCC must also be current members of EDGE&TA. Per EDGE&TA's insurance program, only individuals (no family or corporate) may hold memberships. An individual may hold membership in more than one EDGE&TA branch but must be a member of one primary branch. International members may show and actively participate in any event but are only covered at events within U. S. borders. EDGE&TA membership and insurance fees are incorporated into the club dues structure for club members who are not already EDGE&TA members. Refer to the EDE&TA National web site [www.edgeta.com](http://www.edgeta.com) for full details on coverage and benefits.

A Full COCC/EDGE&TA Member has his/her primary membership in EDGE&TA through COCC. A Partner COCC/EDGE&TA Member is a person who holds a current primary membership in another EDGE&TA branch. EDGE&TA event Insurance is covered through that branch. An Associate COCC/EDGE&TA Member is either the spouse/domestic partner or minor child of a current COCC member. Payment to be made by valid check or U. S. currency only.
