Schedule of Events

There are great bus trips planned to show off the local agriculture on Saturday and Sunday. If you do not wish to participate in the bus trips there are amazing areas to explore in downtown Sacramento.

Saturday, Feb 11

On Saturday, we will take an all day bus trip down to the Lodi/Stockton area in the morning to view agricultural operations in this area. A stop at Mieke's Grove Ag Museum will follow with lunch at that site. We will then swing through the crop-rich Delta region and then go north up to Woodland for a visit to the Heidrick Agricultural Museum. On the way back to the hotel, we will make a brief stop at U.C. Davis where an Ag advisor will talk about growing conditions in California and answer questions about regional agriculture.

Monday, Feb 13

Take advantage of great experiences in Sacramento such as:

- Shopping in Sacramento or Roseville for those who want to travel to a regional mall
- Tours: Old Sacramento Train Museum, Sutter's Fort and the state capitol.
- Banquet will be held at the California Automobile Museum in Sacramento. Although no tractors are allowed at the hotel, we have made arrangements with the Museum to have a display of Cletracs at the Museum.

Sunday, Feb 12

On Sunday we will take another all day bus trip and head west to the wine country in Sonoma, where we will stop at Korbel Winery for lunch, tours and tastings. Some of our members who live out that way will have a display of Cletracs lined up at Korbel. (Member Mel Sanchietti is Korbel's vineyard manager.) We will then swing over the Calistoga Road to Napa County, where we will travel down to another winery for tasting. The bus trips will be guided with speakers on board, knowledgeable about the area and the crops that we will see.
